

Crew Reunions

Ways the Club Can Support

Please get in touch with us if you would like assistance reconnecting with members of your crew.

For those wishing to arrange a reunion, the Club is happy to support in several ways. We can:

- **organise a reunion table at the annual Boat Race Dinner**
- **fix a time for your crew to follow a training session during Tideway week**
- **schedule outings at Ely Boathouse or offer the Captains' Room at Goldie Boathouse for a gathering, for those wishing to host a reunion in Cambridge**
- **arrange opportunities for reunion crews to meet current students**
- **include a short write up in the Club newsletter for each crew hosting a reunion**

For more information, please have a member of your crew contact
